Education

2014-2018	**B.Tech In Computer Science And Engg**, *IIIT Guwahati, CPI– 7.31*.

Professional Experience

July 2021-Present — **Senior Software Engineer at PayU India**, *Bengaluru*.

Work Description — Currently, I am working on the **Neobank** product in PayU Payments vertical. A Neobank is a kind of digital bank without any branches. Rather than being physically present at a specific location, Neobanking is entirely online. Used **micro frontend architecture** to build this product. Translated designs & wireframes into high-quality code and UI via HTML, SCSS, ES6, Styled components, chartJS following ReactJs and Redux workflows. currently, I am taking ownership of Four modules(Lending, Payouts, Vendor Payments & Integrations, Beneficiary).

Feb 2020-July 2021 — **UI Developer at Weinvest, India**, *Bengaluru*.

Work Description — I worked at Asia's leading and proven digital wealth service provider on the product **OCBC RoboInvest** - **The investment solution for your busy life**. Translated designs & wireframes into high-quality code and responsive UI via HTML, SCSS, JavaScript following ReactJs workflows. Coordinated with the development team of 5 to discuss user interface ideas and applications. Reviewed application requirements and interface designs to ensure compatibility with existing applications.

Jan 2019-Feb 2020 — **UI Developer at Hexadots Technologies Pvt Ltd**, *Hyderabad*.

Work Description — Involved heavily in all product phases like Design and Development in all my projects. I have worked on the projects UrbanEats and WatToEat which are similar to zomato, swiggy. In these projects, Translated designs & wireframes into high-quality code and responsive user interface via HTML, SCSS, JavaScript following ReactJs workflows for User, Restaurant, Driver, and Admin Modules.

Jun 2018-Dec 2018 — **Full Stack Developer at Tectards**, *Hyderabad*.

Work Description — I worked at a newly established and rapid-growing IT based firm which deals in building interactive and user-friendly websites. I was part of the core Software development team.
